

The background of the entire image is a dramatic, high-contrast photograph of a stormy sky. The top half is dominated by bright, glowing orange and yellow clouds, suggesting a sunset or sunrise during a storm. The bottom half shows darker, more turbulent purple and blue clouds. In the center, there is a stylized icon of a lightning bolt striking a circular, swirling pattern, representing a storm.

## MESSAGE & READING

Matthew 7:24–29

“Everyone then who hears these words of mine and acts on them will be like a wise man who built his house on rock. The rain fell, the floods came, and the winds blew and beat on that house, but it did not fall, because it had been founded on rock. And everyone who hears these words of mine and does not act on them will be like a foolish man who built his house on sand. The rain fell, and the floods came, and the winds blew and beat against that house, and it fell—and great was its fall!” Now when Jesus had finished saying these things, the crowds were astounded at his teaching, for he taught them as one having authority, and not as their scribes.
