Spirit in the Pines

Summer 2023

Your cabin awaits! We would love to host your family at Spirit in the Pines this summer for quality family time at the lake.

We offer eight affordable family weekends all summer long as a gift to our families, for reconnection and rejuvenation.

Families can choose from a variety of self-led activities like pontooning, swimming, fishing, field games, nature walks, and more. We also have an indoor lodge, craft house, game room, and chapel space available.

We have ten private cabins available in three sizes for an all-inclusive cost of \$210 - \$450 for two nights, meals included if desired. All cabins have a microwave, mini-fridge, toaster, coffee pot, and living space.
